**Ben Liebig**

**Lap Record Holder**

**Period 4  
 Lightweight**

**Yamaha TD2 250**

## Liebig breaks 10 year old lap record

**Ben Liebig broke the long standing Mac Park Historic Period 4 250cc lap record 3 times during his 5 lap race riding Neil Collins 1970 YAMAHA TD2 on 2 October 2021.**

**Ben Liebig rode the TD2 the first time at the Mallala CAFNIX Track Day on 8 August 2021**

Ben was also testing his own Kawasaki ER6 650 Twin in preparation for the next Round of the South Australian State Championships at the forthcoming Master of Mac Park meeting to be held on 1st to 3rd October 2021.

**Members of the Historic Motor Cycle Racing Register of South Australia were invited to compete at the modern Master of Mac Park race meeting by the Mount Gambier Motor Cycle Club in the following classes with all rider's in combined races.**

#### **PERIOD 4 (POST CLASSIC)**

This is for machines produced between **1st January 1963 and 31st December 1972**, known as “post classics” and largely dominated by Japanese machines in both two stroke and four stroke multi cylinder engine configurations.

#### **PERIOD 5 (FORGOTTEN ERA)**

This category is for machines built between **1st January 1973 and 31st December 1982** referred to as “forgotten era”. It reflects the period of domination of Yamaha’s ‘TZ’ two strokes and the emergence of Ducati big twins and other Italian machines to do battle with big four cylinder bikes from Japan.

#### **PERIOD 6 (NEW ERA)**

This is a relatively new category for machines built between **1st January 1983 and 31st December 1990** referred to as “new era”. This period attracts bikes such as Suzuki GSX1100/750, Yamaha FZR1000, Honda VFR750 Kawasaki GPX750 and a host of smaller class machines both four stroke and two stroke race machines from Japan and Europe.

Ben's Kawasaki ER6 650 was entered in both the  
Limited and Naked Bike classes  
for this Round of the South Australian State Championships.  
*Understandably, Ben's races would take priority.*

***This meeting provided an opportunity to test and race the TD2 amongst a field of  
Period 4, Period 5 and Period 6 racers of mixed capacities  
in preparation for the forthcoming  
Australian National Historic Road Race Championships soon to be held at Mac Park.***

The Yamaha TD2 250 number 15 was next Ben's Kawasaki ER6 650 number 91 and the Unitech Yamaha R1 1000 number 61 ridden by Arthur Sissis.

The old and the new - demonstrating how much Yamaha's Racers have developed.

Track Layout      Racing Clockwise

McNamara Park Raceway, Mount Gambier, South Australia

EVENT ~~3~~ 11, 19 & 27  
 CLASSIC

5 LAPS

PROUDLY SPONSORED BY WESTERN TREE & STUMP REMOVAL  
 LEG 1, 2, 3 & 4

10	WILLIAMS	Garth	Mt Gambier	Suzuki	497	P4
17	DAY	Robert	Mt Gambier	Suzuki	250	P4
35	HELES	Peter	HMCRRSA	CZ	250	P4

Ben decided not to start in Leg 3, favouring his Kawasaki ER6 for his Modern Races.

**Gavin Cosway set the Mac Park Period 4 250 Lap Record of 1m 26.603s in 2011**

	<b>McNamara Park Raceway Mount Gambier</b>	<b>Period 4 Lightweight 250cc</b>		<b>Fast Lap Times</b>
<b>Ben Liebig</b>	<b>Master of Mac Park Historic Races</b>	Q3 Qual 1	02/10/2021	Did Not Start
		Q11 Qual 2	02/10/2021	1m 31.833s
		Race 3 Leg 1	02/10/2021	1m 26.841s
		Race 11 Leg 2	2/10/2021	<b>1m 26.085s</b>
				<b>1m 25.444s</b>
				<b>1m 26.312s</b>
		Race 19 Leg 3	3/10/2021	Did Not Start

The McNamara Park Raceway Historic Period 4 Lightweight 250 lap record set by Gavin Cosway of 1m 26.603s in 2011 has proved to be difficult to equal or lower by many riders; especially, when you consider that there are usually 3 Historic Race meetings per year held at Mac Park. His record has stood the test of time, and it is certainly impressive.

*Congratulations to Ben for breaking the lap record 3 times during the 5 lap race. His remarkable achievement riding the Yamaha TD2 is truly commendable.*

**Ben Liebig is the only rider to break Gavin's  
long standing lap record.**

**New Lap Record 1m 25.444s**

*It's seeming to be a perfect combination of Ben's riding skill coupled with the Yamaha TD2's on track performance and reliability.*
