We all worked together to make a successful weekend of racing

The McNamara Park Raceway, Mount Gambier Historic Period 4 Lightweight 250cc Lap Record set by Gavin Cosway of 1 m 26.603 s in 2011 has proved to be difficult to equal or lower by many riders; especially, when you consider that there are usually 3 Historic Race meetings per year held at Mac Park. His record has stood the test of time, and it is certainly impressive.

*Rider's racing the Yamaha TD2 250 are the only ones who have
lowered Gavin's long standing Track Record.*

**Jake broke Gavin's old Lap Record 7 times during the event
leading from the start to finish in Qualifying and
all the Combined P4 250 and P4 500 Races**

*Yamaha TD2 250 on track performance and reliability
has allowed Rider's to lower Gavin's record up to now 21 times.*
